- Gender
- Climate Change
- Building Linkages
- Focus on Results
- COVID-19 Programming
- New Partners

Goal/Objective

- GOAL: Promote greater understanding, mutual trust, and cooperation through Israeli and Palestinian partnerships that address common social development challenges
 - Objectives:
 - Foster a grassroots effort to affect policy change and foster tolerance while strengthening engagement between Palestinians and Israelis.
 - Support peacebuilding and stabilization through increased economic ties (between Palestinians and Israelis), by empowering entrepreneurs, growing the middle class, and mitigating unemployment
 - Enhance shared community building, peaceful co-existence, dialogue, and reconciliation across borders between Israelis and Palestinians, and between Arab and Jewish Israelis.

Illustrative Focus Areas

- Positive youth development through educational opportunities that bring together Palestinian and Israeli youth to develop competencies for the 21st century;
- Bringing Israelis and Palestinians together to reduce public health barriers, improve the delivery of quality health services and provide opportunities for non-governmental health providers to improve services;
- Using a People to People approach to build institutional capacities for contingency planning and preparedness, risk mitigation and crisis management;
- Economic stabilization through the cultivation of a highly skilled competitive workforce that can partner with technology actors and integrate into regional and global business networks;
- Augmenting the production of electricity from renewable sources in the West Bank and Gaza;
- Boosting tourism in the region post COVID-19 crisis;
- Improving agricultural water productivity and climate resilience in the West Bank and Gaza by modernizing irrigation schemes and enhancing the use of treated wastewater in farming;
- Engaging individuals and institutions to protect the environment and public health from contaminants associated with solid waste;
- Mitigating water-based conflict and climate change impacts;
- Addressing gender-based violence; and
- Increasing the role of women's participation in the peace and political processes
